

PINOTAGE ROSÉ

WINE OF ORIGIN SWARTLAND

ABOUT THIS WINE

Riebeek Cellars Collection Pinotage Rosé is elegant and vibrant. The Pinotage vineyards are farmed specifically for producing Rosé.

The berries are fuller and juicier and harvested at a naturally lower pH to produce a light, lively wine.

VINIFICATION WINEMAKER'S NOTE

Using only free-run juice with minimum skin contact ensures a light pink hue and a burst of red berry flavours. The wine is stored on the fine lees to preserve the freshness.

TASTING NOTE

Vibrant strawberries and ripe cherries are balanced by a fresh, dry finish.
